

Vehicle Registration Permissive Tax FAQs

For County, Municipality and Township Officials

Revised July 2019

What is “vehicle registration permissive tax?”

“Vehicle registration permissive tax “(hereinafter referred to as “permissive tax”) is an optional tax that can be levied by counties, municipalities, and/or townships on vehicle registrations. It is defined in Ohio Revised Code (ORC) Chapter 4504: Local Motor Vehicle License Tax. There are eleven \$5.00 levies that are available to be enacted, but only six can be in effect at any one time in any single taxing district.

Permissive tax revenue is to be used by the counties and taxing districts per ORC Chapter 4504, which includes planning, constructing, improving, maintaining and repairing public roads, highways, streets, and for the maintaining and repair of bridges and viaducts.

What is a “taxing district?”

A taxing district is either a municipality (incorporated village or city) or a township. Municipalities can be assigned multiple taxing district numbers if the boundaries are in multiple counties.

How is a levy enacted?

Counties, municipalities and townships pass a resolution/ordinance per ORC. Once the resolution/ordinance has been passed, a copy is sent to the Ohio Bureau of Motor Vehicles, Tax Distribution Section, by July 1 to be effective the following registration year (ORC section 4504.08).

For a sample resolution/ordinance, or for additional information, please contact the Tax Distribution Section (see below).

How do we find out if our taxing district has already enacted all levies allowed?

The current Taxing District Code Book is published on the BMV website at the following site: <http://www.publicsafety.ohio.gov/links/Taxing-District-Code-Book.pdf>. This publication lists all the taxing districts within each county and the current permissive tax rates. The current maximum permissive tax for registration in any single taxing district is \$30.00 per registration per registration year.

House Bill 62 created two new permissive taxes; one for municipalities (section 4504.173) and one for townships (section 4504.181).

Enacting Permissive Tax

Counties have the option of enacting levies under ORC sections 4504.02, 4504.15, 4504.16, and 4504.24 at any time. Collection of permissive tax under the first three levies is contingent on the respective municipal levies of 4504.06, 4504.17 and 4504.171. For example, if City X in County Y has already enacted 4504.06, then County Y now levying 4504.02 will not be able to collect permissive tax from vehicle registrations of the residents of City X under 4504.02.

Municipalities have the option of enacting levies under ORC sections 4504.06, 4504.17, 4504.171, and 4504.172. House Bill 62 created a new municipality permissive tax (ORC section 4504.173). Enacting 4504.06, 4504.17, and 4504.171 are contingent on the respective county levies 4504.02, 4504.15 and 4504.16. For example, if County X has enacted 4504.02, then City Y cannot enact 4504.06. ORC sections 4504.172 and 4504.173 are not contingent on any other levy, so a municipality can pass an ordinance at any time to enact these sections.

Townships have the option of enacting a levy under ORC section 4504.18. House Bill 62 created a new township permissive tax (ORC section 4804.181). ORC sections 4504.18 and 4504.181 are not contingent on any other levy, so a township can pass a resolution at any time to enact these sections.

How much of the permissive tax does the county/taxing district receive for each of the levies?

The percentage each county/taxing district receives in permissive tax depends on which levies are enacted in that county/taxing district. Please refer to the following charts:

County Levies

ORC Section	Amount	Distribution Rules
4504.02	\$ 5.00	100% of the revenue collected is distributed to the county (Municipalities can request from the county a portion of this revenue, per the Ohio Revised Code) (Counties have the authority to enact this tax at any time; however, cannot collect revenue from a municipality already enacting 4504.06)
4504.15	\$ 5.00	If a municipal registration: 50% to the municipality, 50% to the county If a township registration: 30% to the township, 70% to the county. (Counties have the authority to enact this tax at any time; however, cannot collect revenue from a municipality already enacting 4504.17)
