

Public Notice - STORM SEWER EVALUATIONS UNDERWAY

Summit Soil and Water Conservation District (SWCD) is embarking on storm sewer evaluations on behalf of the Surface Water Management District in your community on **April 25, 2024**. Residents may observe our dedicated team walking along streets, meticulously tracing storm sewers to their outfalls or outlets.

IDENTIFICATION:

- Our employees will be easily identifiable, wearing high-visibility shirts and/or vests.
- Look for the unmistakable Summit SWCD logos proudly displayed on their attire.
- Additionally, they will carry County ID for further verification.

WHY THESE EVALUATIONS MATTER:

- Ensuring effective stormwater management.
- Identifying potential areas for improvement or maintenance.
- Enhancing environmental stewardship efforts for our community.

YOUR COOPERATION IS APPRECIATED:

- We kindly request residents to extend their cooperation and support to our team during these evaluations.
- If you have any questions or concerns, feel free to approach our personnel, who will be happy to assist you.

For further inquiries or information, please contact Summit SWCD at 330.929.2871.
